Sub: Recommendation Letter of Ms. Manasi Raghuram

This is to certify that Ms. Manasi Raghuram, pursuing her MSc. In Clinical Psychology from your esteemed organisation has completed her 60 hours of an observership Program at Shaping Therapies, Thane.

Shaping Therapies is a State-of-the-Art, World Class therapy Centre which provides a Multi-disciplinary and Trans-disciplinary approach under one roof. The Centre has Occupational Therapy, Speech Therapy, and Remedial Education, Behavioural Therapy, ABA, Counselling and Psychological Assessment.

Shaping Therapies caters to the Paediatric, Adult and Geriatric population, branching across Mumbai in Powai, Mulund, Thane and Dombivli.

The observership program opens the doors to interns from various fields to get a hand-on training on individuals who require therapy. The interns get to interact with the Head-Of-Departments of all the disciplines and get trained under experienced professionals.

Ms. Manasi Raghuram, attended the observership program from 30th January to 26th February 2024.

She observed Clinical Assessments, Intervention, Group Therapy as well as allied health sessions of Speech therapy, Remedial Education and Occupational Therapy.

Ms. Manasi Raghuram has been an asset to the organisation. In her short span of one month she has shown her curiosity to learn, absorb and implement her therapeutic skills. She has been an active team member in the Social Skills Program, where she learnt hands-on assessments of behavioural and social diagnosis. She also shadowed Psycho-educational assessments in conducting and scoring.

We wish her all the very best for all her future endeavours.

Thanking you.
