

Report of 'AARAMBH'

Department of Botany

Date: 24th June, 2021 (Thursday)

Department of Botany had organized a welcome and farewell interactive function 'Aarambh' for the last year passed out and the present academic T.Y.B.Sc students at 5.30 pm. The 13 students participated along with teaching staff of Botany enthusiastically.

During the interactive function, teacher's introduced themselves to the students. The present academic T.Y.B.Sc students were informed about the functioning of department and the various competitions conducted under university, state and national levels. They were also informed about the activities held under 'Shrithi' club and 'Curiosity' club. Students were motivated to participate in the research projects. Later in this session the passed out students were praised for their academic, cultural achievements and event management skills. The passed out students express their views and shared their experiences as a botany student and also encouraged the present academic students to take lead and conduct activities to improve their management skills. Overall the function was informative and motivating for the students.
