College magazines reflect the identity of the educational institutions through the writings of its students and teachers as well. It helps them to improve their reading and writing skills to a great extent. It even helps them in providing possible opportunities to improve their creative and imaginary writings. College magazines provide a wonderful platform for these young potential ones to showcase their talent as writers and express themselves into a conglomeration.

The Wallpaper & Magazine Committee organized an '**3 Days Online Workshop on Creative Art**' in order to encourage and guide students to participate in Competition as well to showcase their talent in Kaleidoscope section which is the very new section in magazine introduced this year by Sanyuja 2021-22. On very first day this participants were guided for collage art and cover page design & for their write up of Kaleidoscope section fitness Guru. On second day of creative art workshop topic was on Tourist point, Poem writing, and Inspirational tale by respected speakers. Last day speakers have covered the topic Hobby to business, Technocrats and Book and documentary film review . All the topics were explained with the help of PPT's and best examples. Each topics where so clearly explained and each day of the workshop used to end with reminding Common rules to all the participants.
