

VPM's B. N. Bandodkar College of Science (Autonomous), Thane.  
Department of Life Long Learning (DLLE) along with department of Human Science and  
interdisciplinary sciences Organized  
Workshop

Topic : "Peer to Peer Learning and Teaching"

Date : 26<sup>th</sup> September, 2021.

Time : 10:30 am to 12:00 pm.

The Department of life long Lifelong Learning along with the department of Human Science and Interdisciplinary science under of VPM's B. N. Bandodkar College of Science (Autonomous), Thane organized a lecture on "Peer to Peer Learning and Teaching".

The session was arranged on 26<sup>th</sup> September from 10:30 a.m. to 12:00 p.m. and was conducted by the students of T.Y.B.Sc Human Science.

The session was hosted by Mr. Siddhant Pradhan. He began the session by welcoming all the dignitaries, speakers and students. The two main topics of the session were "Making a Google form" and "flyer".

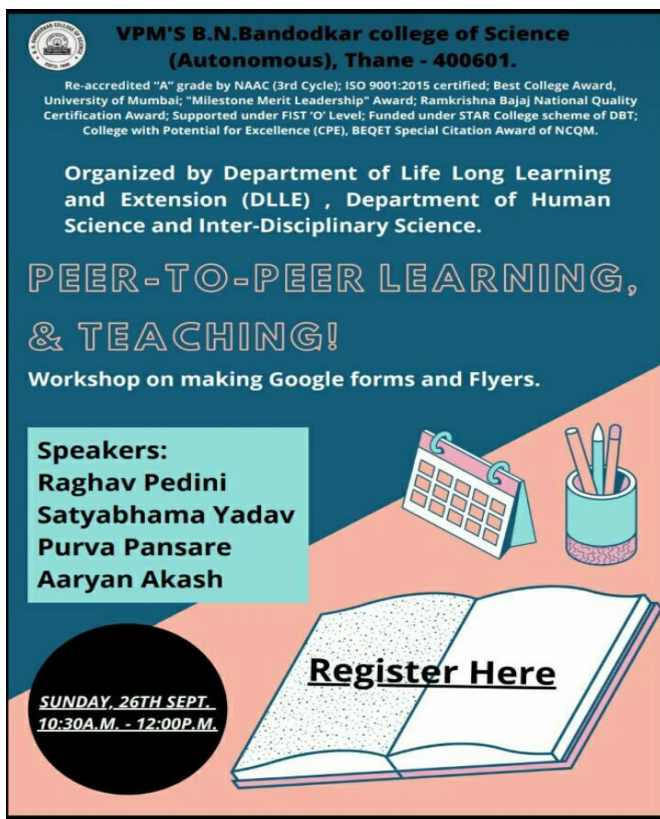

The student speakers were miss Satyabhama Yadav, miss purva Pansare and Mr. Raghav Pedini from DLLE department and Mr. Aaryan Akash from human science department. Miss Satyabhama Yadav began the session by introducing the first topic i.e., making "Google Forms". Miss purva Pansare continued the session by presenting her screen. She very well explained each and every step of creating Google form right from opening Google and creating a new form till shortening URL and sharing the form.

Mr. Raghav Pedini concluded the process of creating Google forms. He explained the remaining points like where the form will be stored, how to mark the fields compulsory, etc. He also shared a tutorial video in the chat box for reference.

Then, Mr. Aaryan Akash began with his explanation on making "flyers". He explained the entire procedure like from downloading the app Canva, searching for flyers section, finding a catchy template according to the theme of the event, changing colours, sharing options and link, etc.

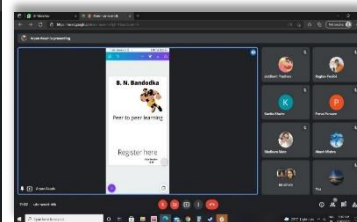

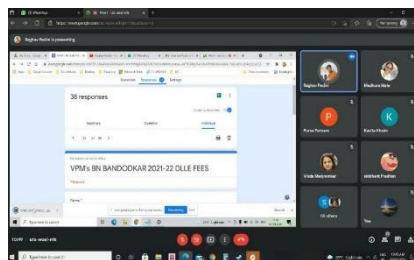

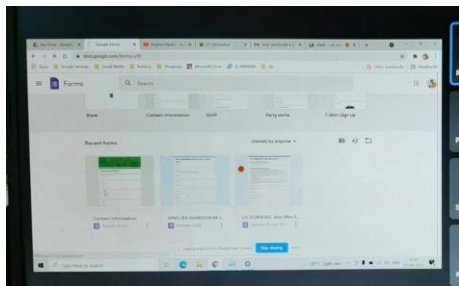

The session came to an end with some encouraging words from Dr. Vinda Manjramkar. She encouraged the participants to try making flyers and google forms on the spot making sure each one understands the concept best. Participants also took initiative in this activity and tried making flyer and Google form. All the doubts of the participants were solved in the question and answer session , followed by the Vote of thanks.

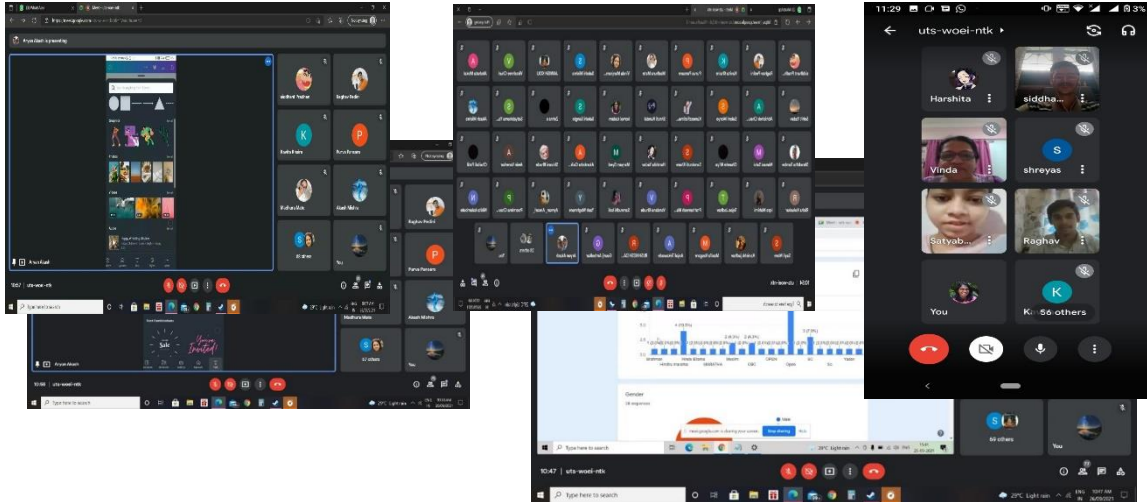

Registration for the webinar was free. The session was attend by 76 participants and it was held on Google Meet. After the completion of the webinar the students received E-certificates for attending the session through a feedback form.
