Gandhi Jayanti is an event celebrated in India to mark the birthday of Mahatma Gandhi. It is celebrated annually on 2nd October. Mahatma Gandhi said “Sanitation is more important than independence”. He made Cleanliness and sanitation an integral part of the Gandhian way of living. His dream was total sanitation for all. Cleanliness is most important for physical well-being and a healthy environment. Maintaining a clean environment is for the health of all humans, as their health completely depends on the atmosphere. A bad environment is solely responsible for spoiling the health of the people around.
