

VPM's B. N. Bandodkar College of Science, Thane (Autonomous)

1 MAH BN/ ASC Thane NCC Army Boys Unit

Lecture on First Aid and its Applications.

Name of activity	FIRST AID
Objectives of the activity (maximum 40 words)	A first aid kit or medical kit is a collection of supplies and equipment used to give immediate medical treatment, primarily to treat injuries and other mild or moderate medical conditions. There is a wide variation in the contents of first aid kits based on the knowledge and experience of those putting it together, the differing first aid requirements of the area where it may be used, and variations in legislation or regulation in a given area.
Date (DD / MM / YYYY)	7/08/2022
