## **Activity Report: Colloquium lecture**

Name of activity	DR. V. N. Bedekar Colloquium lecture on 'antifungal drug			
·	resistance'			
Objectives of the activity	To make students aware about current research in the field of			
(maximum 40 words)	drug resistance			
Organizing department/s	Department of Biotechnology and Microbiology			
Collaborative institute				
Date	7/07/2023 at 12:30 pm			
(DD/MM/YYYY)				
Venue	Patanjali auditorium			
Mode	offline			
<b>Details of Resource</b>	Dr. SriKripa Chandrasekaran			
person				
(name, designation,				
institution)				
<b>Key Participants</b>	Biotechnology and microbiology students from all three years			
	classes and students from Biochemistry, human science			
	department			
Remarkable outcomes/	Dr. Srikripa in her lucid talk made students aware about the			
key take-away messages	significance of drug resistance.			
(max. three)	She discussed her own research work that she is been			
	working in her lab in USA.			
	Students could understand the basic outline of the research			
	work and were inquisitive about getting more information			
	about the same during question answer session at the end.			
Details of participants	120			
Total Number	128			
Outsiders				
In-house	All			
III IIouse	127 participants +8 faculty members			
	Students: 127 participants.			
	Male: 26 female: 101 others: 0			
	127 participants +8 faculty members			
Additional information	. Students attended the lecture enthusiastically and also			
Auditional information	. Students attended the recture chimosastically and also			

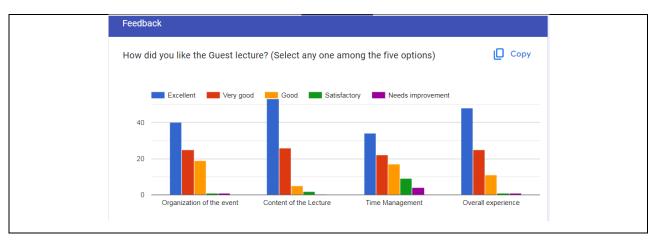

interacted with the resource person. It helped them to understand different concepts and they also gained guidance regarding higher education in abroad.

Name of Coordinator/ teacher in-charge: Dr. Kalpita Mulye, Dr. Jayshree pawar
