

Visit to Phansad Wildlife Sanctuary

organized by

Department of BWCM

Name of activity	Excursion to Phansad Wildlife Sanctuary
Objectives of the activity (maximum 40 words)	Phansad Wildlife Sanctuary is a wildlife sanctuary in the Murud and Roha talukas of Raigad district, Maharashtra state, India. It was created in 1986 to preserve some of the coastal woodland ecosystem of the Western Ghats and consists of 6,979 ha of forest, grasslands and wetlands. This excursion was organized to observe wildlife in its natural habitat and understand their role in the environment.
