Workshop for Subject Teachers for Orienting Towards NEP 2020 Compliant Syllabus and Curriculum

Date: 27th September 2024

Program Schedule

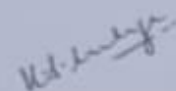

Time	Content	Resource person
9.30am-10.30am	Inaugural session	
Pre-lunch session		
10.30am-12.00noon	Session I	Dr Hiren Dand, Head, Department of Information Technology, PTVA’s Mulund College of Commerce (Autonomous)
12.00noon-1.30pm	Session II	Dr Vasant Mali, Principal, Watumull Sadhubella Girls College, Ulhasnagar
1.30pm-2.00pm	Lunch	
Post-lunch session		
2.00pm-3.30pm	Subject BOS meeting1	Respective resource persons for the subject
3.30pm-5.00pm	Subject BOS meeting2	

Subject of BOS & Venue	Time	Resource person
Biotechnology (Maths Lab, 1 st floor)	Session III 2:00 pm to 3:30 pm	Dr Bhuvaneshwari Krishna, Head of the Department of Biotechnology, CHM College, Ulhasnagar
Botany (Classroom no 3, 1 st floor)		Dr. Dasi Meena Shankar Rao, Associate Professor, R.K.T College, Ulhasnagar
Chemistry (Classroom no 9, 1 st floor)		Prof. Kalpana Jain, Principal, Royal college, Mira Road Dr. Santosh Kulkarni, Vice Principal of Agarwal college.
CS (IT Lab 1, 1 st floor)		Dr. Jyotshna Dongardire, Head, Department of Computer

		Science and Chairperson of CS Board of Studies
Data Science (IT Lab 2, 1 st floor)		Dr Hiren Dand, Head, Department of Information Technology, PTVA's Mulund College of Commerce (Autonomous)
IT (IT Lab 2, 1 st floor)		Dr Hiren Dand, Head, Department of Information Technology, PTVA's Mulund College of Commerce (Autonomous)
Maths (Classroom no 4, 1 st floor)		Dr. V. S. Kulkarni, Professor, Department of Mathematics
Physics (Physics lab, 1 st floor)		Dr Digambar Sakpal, SICES Degree College of Arts, Science and Commerce, Ambernath.
Zoology (Classroom no 8, 1 st floor)		Dr. Minakshi Gurav, D. G. Ruparel college, Mumbai

Subject of BOS & Venue	Time	Resource person
Biotechnology (Maths Lab, 1 st floor)	Session IV 3:30 pm to 5:00 pm	Dr Bhuvaneshwari Krishna, Head of the Department of Biotechnology, CHM College, Ulhasnagar
Botany (Classroom no 3, 1 st floor)		Dr. Laxmishree Swamy Chengala G.M. Momim College, Bhiwandi
Chemistry (Classroom no 9, 1 st floor)		Dr Gurumeet Wadhawa, Assistant Professor, Veer Wajekar Arts, Science and Commerce College, Phunde, Uran Dr Farahat Javed Khan, Assistant Professor, Satish Pradhan Dnyansadhana College, Thane Dr Suresh More, Assistant Professor, VPM Kinhavali's Arts, Commerce, Science College, Kinhavali.

CS (IT Lab 1, 1 st floor)		Mr. Vipul Saluja, Convenor, Syllabus Committee
Data Science (IT Lab 2, 1 st floor)		Dr. Srivaramangai R., Head, Department of IT, Mumbai University
IT (IT Lab 2, 1 st floor)		Dr. Srivaramangai R., Head, Department of IT, Mumbai University
Maths (Classroom no 4, 1 st floor)		Dr. Anuradha Garge, Assistant Professor, Department of Mathematics, Mumbai University
Physics (Physics lab, 1 st floor)		Dr. Sopan Bhamre, B.N.N college, Bhiwandi
Zoology (Classroom no 8, 1 st floor)		Dr. Dilip Kakavipure, B.N.N college, Bhiwandi

Workshop Coordinator
Dr Kalpita Mulye,
Mrs Kadambari Manjrekar

I/C Principal
VPM's B. N. Bandodkar College of
Science (Autonomous), Thane

Report of
Workshop For Subject Teachers For Orienting Towards NEP 2020
Compliant Syllabus and Curriculum
Date : 27th September 2024

Total number of participants: 250

University of Mumbai under RUSA Maharashtra state along with Malviya Mission Teachers Training Centre (MMTTC) organized a “One day Workshop for Subject Teachers for Orienting Towards NEP 2020 Compliant Syllabus and Curriculum” on 27th September, 2024, at VPM’s B. N. Bandodkar College of Science (Autonomous), Thane. The workshop aimed to have a common discussion among subject teachers for implementing the NEP 2020 w.e.f. academic year 2024-25 across the colleges affiliated to University of Mumbai. The workshop was attended by a total of **250** teacher representatives of different colleges affiliated to University of Mumbai from Thane, Navi Mumbai, Raigad and Palghar districts.

The pre-lunch sessions viz. Inaugural session followed by two sessions for verticals AEC and IKS were commonly conducted for all participants in Patanjali auditorium. The post lunch- subject specific sessions were conducted simultaneously at different venues in the college.

Inaugural session

The inaugural ceremony was graced by the presence of Dr Hiren Dand, Head, Department of Information Technology, PTVA’s Mulund College of Commerce., Mulund, Dr Vasant Mali, Principal, Watumull Sadhubella Girls College, Ulhasnagar, and Dr Vinda Manjramkar, I/C Principal, VPM’s B. N. Bandodkar College of Science (Autonomous), Thane in Patanjali Auditorium. .

The session was hosted by Ms Sayali Daptardar and Ms Purvi Shah, Assistant Professors from Bandodkar College. It began with the national anthem, Maharashtra Geet followed by the University song. As per Indian tradition, the workshop was formally inaugurated by Saraswati Vandana and lighting of lamp by the dignitaries. Dr. Manjaramkar welcomed the guests on and off the dais to the beautiful campus of Jnanadweepa. She gave a brief introduction of various accolades of the college to the guests. She also emphasized the role of teachers as nation builders and the importance of correct understanding for implementing NEP in colleges.

Session 1:

Topic: Treatment of the subjects in the basket of vertical 5 and vertical 6

Name of resource person: **Dr Hiren Dand**, Head, Department of Information Technology, PTVA’s Mulund College of Commerce, Mulund.

The resource person Dr. Hiren Dand began his session with a thorough explanation of the six verticals in syllabi under NEP 2020. He explained the credit distribution for each vertical, viz. Major, Minor, Open

Elective, Vocational, Skill Enhancement, Ability Enhancement, Indian Knowledge System, Value Education and Co-Curricular course. The participants were introduced to the features and credit allotment for each of the verticals. Following were some of the highlights shared by Dr. Hiren for each vertical -

- Vertical 1 i.e. MAJOR: 3 subjects for pure science (aided courses) eg: Physics, Chemistry, Maths, Botany, Zoology etc.; 1 subject for applied science eg: Biotechnology, Biochemistry etc.
- Vertical 2 i.e. MINOR: subject other than major.
- Vertical 3 i.e. OPEN ELECTIVE (OE): a subject conducted by faculty other than major subject faculty
- Vertical 4 i.e. VSC/SEC: related to major subject
- Vertical 5 i.e. AEC/IKS/VE
- Vertical 6 i.e. CC: can include NCC, NSS, DLLE, Sports and Cultural

The rest of the session included specifications for vertical 5.

Regarding AEC i.e. Ability Enhancement Course, Dr. Hiren emphasized the importance of language in the field of Science. He suggested offering English as a language for semester 1 and 4, with other languages (such as regional language) in semester 2 and 3, which ensures retention of workload in both terms. The syllabi baskets are already available on the university website.

Dr. Hiren then commented on the changes in values in today's generation particularly in the era of internet and artificial Intelligence. He then insisted upon the importance of personality development through the Value Education course (VE). He also added the importance of environment conservation and sustainability which can be introduced as part of VEC.

Dr. Hiren resolved the doubts and queries of participants during the Q & A session, related to selection of subjects for major/minor, inclusion of NCC in co-curricular component etc. All the queries were satisfactorily answered by him.

Session 2:

Topic: Indian Knowledge System (IKS)

Resource Person: Dr. Vasant Mali

Dr Vasant Mali, resource person for the session 3 elaborated on the Indian Knowledge system (IKS) component of the syllabus. He introduced the subject by mentioning the trio- knowledge (*dnyan*), wisdom (*pradnya*) and truth (*satya*) that were the backbone of ancient Indian Knowledge.

Dr Mali explained the subjects including Yoga, Philosophy, Ayurveda and Metallurgy, which can be taught in context with modern science. He mentioned that a ten-year horizon could be envisioned for the application of IKS.

He emphasized that the two credits- IKS course is to be completed in the first year of the program. It aims to impart factual knowledge about Indian Culture and tradition. He mentioned that IKS is a broad topic, and should be taught at an introductory level. Internships/ apprenticeships and projects can also be considered during 7th and 8th semesters by applying IKS knowledge.

He shared a list of suggestions for IKS generic topics including Ayurveda, Krishi Shastra, Astronomy, Maths, Alchemy etc. The sub-topics for IKS generic were also discussed. For example, foundational principles, scope, historical context and modern applications can be covered in Ayurveda; ancient metallurgical practices and Rasashala in Alchemy, Contribution of Aryabhatt and Bhaskara to astronomy and its evolution to the technological stage can be covered in Astronomy subject. He mentioned that the topic for IKS can be chosen related to the major subject thoughtfully.

Topic: Evaluation Reforms and Assessment Management Plans, Outcome based Education

Resource Person: Dr. Vasant Mali

Dr. Mali conducted the session about the various methods for external and (particularly) internal assessment. The session also dealt with the significance of having defined objectives, outcomes and their utilization for mapping student progression.

The session began with distinguishing the traditional approach and outcome-based approach and its supremacy over the former. The participants realized the importance of aligning the intended learning outcomes with teaching and assessment methods.

Additionally, Dr. Mali explained the noteworthiness of utilizing mapping of the POs, PSOs and COs for setting up question papers.

Further he shared the verbs that can be used for setting test question papers in alignment with all the six levels of Bloom's taxonomy and the skill demonstrated at the respective level. He displayed a model question paper exhibiting the question-wise mapping of COs.

An elaborate table suggesting the assessment tools such as essays, assignments, group discussions, roleplay, for written, oral, practical, and integrated modes was shown by him. Further, he elucidated the difference between formative and summative assessment rubrics.

The morning session concluded with the formal vote of thanks proposed by Dr. Kalpita Mulye, workshop coordinator for the college.

Subject BOS session report:(Session 3 and 4)

BOS: Biotechnology (Session 1)

Resource person: Dr Bhuvaneshwari Krishna, Head of the Department of Biotechnology, CHM College, Ulhasnagar

Time: 2:00 pm to 3:30 pm

Venue: Maths lab

No. of participants: 8

The discussion covered the exam pattern (internal and external). She informed that an agreement on certification of the journal is to be done only in case of 75% attendance in a practical session. The syllabus was discussed and it was informed to the members that the inclusion of the topic 'Wine Technology' is being reconsidered now, because of the resistance to its inclusion in the syllabus. It was

also decided that dense topics including microscopy (Major II) and genetic engineering (sem II) should be covered in the form of an overview. The discussion then covered the internal assessment, adopting creative ways to deviate from classroom teaching and topics for self-study. A large number of practicals that can't be assessed during practical exams can be considered for internal assessment. It was decided to have a consensus on removing Maths bridge course for enrollment in FY certificate course in Biotechnology. Life-senz laboratory for cancer cell research was suggested for student visit.

BOS: Biotechnology (Session 2)

Resource person: Dr Bhuvaneshwari Krishna, Head of the Department of Biotechnology, CHM College, Ulhasnagar

Time: 3:30 pm to 5:00 pm

Venue: Maths lab

No. of participants: 8

For R-software, in semester II, books were suggested. It was also discussed that students should complete 4 credit courses in the form of NSQF or on-job training for exit after first year with a certificate. Colleges that do not offer a master's course need to get additional permission from the university to start the BSc (Hon.) course whereas the colleges already having a master's course are exempted from the same.

BOS: Botany (Session 1)

Resource person: Dr. Dasi Meena Shankar Rao, R.K.T College Ulhasnagar

Time: 2:00 pm to 3:30 pm

Venue: room no 3

No. of participants: 30

Session 1 included implementation of NEP, credit scheme and theory practical syllabus for first year. The discussions also covered the preparation and grading of skeleton papers for both internal and external examinations. Some questions raised by participants include changing minor to major, and journals for major and minor subjects. All queries were satisfactorily resolved by the resource person.

BOS: Botany (Session 2)

Resource person: Dr. Laxmishree Swamy Chengala from G.M.M College Bhiwandi

Time: 3:30 pm to 5:00 pm

Venue: room no 3

No. of participants: 30

The session began with the discussion about syllabi of VSC, SEC and OE for first year botany. A detailed discussion on (The experts had deliberations about) internal assessment, course objectives, outcomes and program outcomes also took place. Queries regarding implementing short term courses and arranging field visits or on-job training were also settled by Dr. Laxmishree.

BOS: Chemistry (Session 1)

Resource person: Professor Kalpana Jain, Principal of Royal college, Mira Road;

Dr. Santosh Kulkarni, Vice Principal of Agarwal college

Time: 2:00 pm to 5:00 pm

Venue: room no. 9

No. of participants: 45

Professor Kalpana Jain, conducted the first session on the importance of NEP 2020, its role in employability and aspects, such as syllabus framework, exam pattern and evaluation process. She also explained in detail about VSC and OE. Professor Jain stressed on the fact that unavailability of chemicals is a limiting factor for adding credits to practicals. The session was continued by Dr. Santosh Kulkarni, He threw the light on the First year syllabus of Inorganic Chemistry and its credit pattern. He emphasized on scheme I, II and III for inorganic major and minor syllabus.

BOS: Chemistry (Session 2)

Resource person: Dr Farahat Javed Khan, Assistant Professor from Satish Pradhan Dnyansadhana College, Thane; Dr Gurumeet Wadhawa, Assistant Professor, from Veer Wajekar Arts, Science and Commerce College, Phunde, Uran; Dr Suresh More, Assistant Professor, VPM Kinhavali's Arts, Commerce, Science College, Kinhavali.

Time: 2:00 pm to 5:00 pm

Venue: room no. 9

No. of participants: 45

The second session involved discussion of physical and inorganic chemistry, and other verticals (SEC and VSC). The resource persons explained in detail about the syllabus, exam pattern, and evaluation pattern for basics in physical and inorganic chemistry I and II. They further described Topics included in the SEC component such as sampling technique, basic statistical tools, software and data analysis in chemistry. Links of different virtual labs for chemistry were shared with the members. VSC discussion involved the topics to be covered under it which includes tools for analytical chemistry, the practical component and, overall paper pattern and evaluation pattern of VSC.

BOS: Computer Science (Session 1)

Resource person: Dr. Jyotsna Dongardive, Head, Department of Computer Science and Chairperson of CS Board of Studies

Time: 2:00 pm to 3:30 pm

Venue: IT lab no. 1

No. of participants: 18

Alignment of NEP 2020 with Computer Science syllabus was thoroughly discussed, along with credit distribution among the 6 verticals. A brief overview was also displayed regarding credit distribution in second and third year of the course. The participants' queries regarding the selection of elective subjects and conducting practicals were resolved by the resource person.

BOS: Computer Science (Session 2)

Resource person: Mr. Vipul Saluja, convenor of Syllabus committee

Time: 3:30 pm to 5:00 pm

Venue: IT lab no. 1

No. of participants: 18

Mr. Saluja provided particulars about syllabus credits and hours allotted for each subject. Additional details regarding examination, evaluation and paper pattern were shared by the resource person. Queries regarding opting minor courses from other institutions and on-job training were settled.

BOS: Data Science

Resource person: Dr Srivaramangai R, Head, Department of IT, University of Mumbai

Time: 2:00 pm to 4:30 pm

Venue: IT lab 2

No. of participants: 32

Dr Srivaramangai specifically mentioned that the eligibility criteria for data science is the same as IT. Questions were raised regarding the concept of re-exam, and admission of second year for non-NEP students. Topics discussed for data science VSC course include Web technology, Basic HTML, JSON, JQuery.

BOS: Information Technology

Resource person: Dr Hiren Dand, Head, Department of Information Technology, PTVA's Mulund College of Commerce

Time: 2:00 pm to 4:30 pm

Venue: IT lab 2

No. of participants: 32

Dr Hiren Dand elaborated about eligibility and title of the program. He mentioned that the Degree will be conferred as Major in IT and Minor in Maths. The credit structure and assessment pattern were discussed as well. The rules of ATKT and the format of question papers for practicals were also discussed. It was suggested to develop a question bank specifically for practical exams. Skill enhancement vertical was also discussed.

BOS: Mathematics (Session 1)

Resource person: Dr. V. S. Kulkarni, Professor of Mathematics

Time: 2:00 pm to 3:30 pm

Venue: room no 4

No. of participants: 14

The session was initiated by underlining the course to be interdisciplinary and application oriented. Key features such as curriculum flexibility, skill development and vocational educational education were also discussed. A total of 14 attendees participated by raising queries such as batch strength for each vertical, credit distribution in OE and effect on mathematics faculty from non-science colleges. The resource person provided clarity on batch strength and also gave assurance of keeping the workload intact.

BOS: Mathematics (Session 2)

Resource person: Dr. Anuradha Garge, Assistant Professor, Department of Mathematics, Mumbai university

Time: 3:30 pm to 5:00 pm

Venue: room no 4

No. of participants: 14

The key outcomes of the session were regarding attainment of the course outcomes, utilizing Bloom's taxonomy for mapping of course and program outcomes, reference literature for newly introduced topics, open electives and mathematical magics. Dr. Garge also suggested project and seminar topics such as continuous fractions, Chinese remainder theorem, multinomial theorem, Fibonacci sequence etc. She proposed algorithm and python programming for the syllabus of SEC and made suggestions for practicals that can be conducted under VSEC. The inputs and suggestions were well received by the participants.

BOS: Physics (Session 1)

Resource person: Dr Digambar Sakpal, SICES Degree College of Arts, Science and Commerce, Ambernath

Time: 2:00 pm to 3:30 pm

Venue: Physics lab

No. of participants: 12

The key points discussed include a detailed evaluation pattern for VSC and SEC components and schemes I, II, III. The resource person also shared reference books for VSC and SEC.

BOS: Physics (Session 2)

Resources person: Dr Sopan Bhamre, B.N.N. College, Bhiwandi

Time: 3:00 pm to 4:30 pm

Venue: Physics lab

No. of participants: 12

The second session focussed on the practical component of VSC, mainly the maintenance of the lab equipment. Dr Bhamre also covered the SEC component to involve the use of CRO, logic gates for IC testing, building electrical circuits using breadboard and so on.

BOS: Zoology (Session 1)

Resource person: Dr. Minakshi Gurav, D. G. Ruparel college, Mumbai

Time: 2:00 pm to 3:30 pm

Venue: room no. 8

No. of participants: 34

The first session dealt with syllabus scheme I, II and III, theory and practical topics, paper pattern and resource materials' availability. The participants raised issues such as insufficient practical examination timing, inaccessibility of commercial laboratories and managing large batches on the field. The attendees came to agreement for increasing time for practical examination and utilization of local resources.

BOS: Zoology (Session 2)

Resource person: Dr. Dilip Kakavipure, Associate professor, B.N.N college, Bhiwandi

Time: 2:00 pm to 3:30 pm

Venue: room no. 8

No. of participants: 34

This session focussed on the first year syllabus of VSC, SEC and OE. Theory syllabus, practical pattern, evaluation and marking scheme were also discussed. The query regarding fish rearing, as part of practicals, was resolved by the resource person.
