Genesis and its Registration Status:

Vidya Prasarak Mandal, Thane, (VPM) was founded in the year 1935. Its founding fathers led by Late. Dr. V. N. Bedekar, a medical practitioner, were the men of modest means imbued with idealism and desire to serve the educational needs of the people of Thane. The depth and breadth of their vision is amply reflected in the objectives of the VPM. To quote:

- To provide the people residing in the Thane city and its vicinity, facilities for their intellectual, physical, scientific, social, cultural and professional education, to give publicity for the same, to establish and operate conducive factors for the above, e.g. parent-teachers association, stores for educational supplies, and thereby adding to the knowledge of the people.
- To emphasize the need for industrial knowledge and for the purpose of providing educational facilities for the same, to start and operate various undertakings such as industrial, educational institutes, Polytechnic, Engineering Colleges, etc.
- To co-operate with other public institutions on special occasions with a view to attaining the above mentioned purpose.

The emblem of Vidya Prasarak Mandal, Thane shown below speaks volumes:

Along with several suggestive symbols such as an illuminated lamp, open volume, a pen, an inkpot and a basket of flowers, the emblem of VPM contents the following Sanskrit Words:

ॐ प्रज्वलितो ज्ञानमयः प्रदीपः ॐ

Translated in English, the sentence would mean, "**The Lamp of Knowledge has been lit**". The phrase refers to the work of seminal thinker and prophet Maharashi Vyas. IT indicates that the goals and objectives of VPM are infinite.

ACTIVITIES:

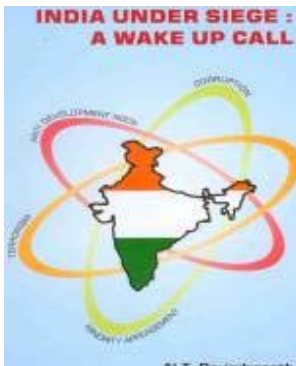

Foreign Language Study in the Campus:

The world is coming closer. In today's globalized multicultural world, it is becoming important to interact and communicate with people from diverse backgrounds all over the world. To compete and survive in this new era, knowledge of a foreign language and culture has become a necessity. Besides business prospects and career opportunities, knowledge of a foreign language is very essential for studying abroad, travel, research, enhancing subject knowledge, cultural exchange and for many other reasons.

Considering this fact and introduction of Foreign Languages (**French or German or Japanese**) studies by Mumbai University in the revised syllabus of MMS Course, **Foreign Language Study Cell** was established at one of our institutes i.e. DR VN BRIMS in 2008. This Cell in addition to working on methods and studies for enhancing language education, looks after the placement opportunities for language students and guides them on scope and new avenues for the knowledge of Foreign Languages. The cell organizes **guest lectures** on topics pertaining to foreign languages. In order to enhance cross-cultural interaction and exchange views and ideas, we invite delegates from different foreign countries and foreign consulates in India. In the year 2008, Mr. Yamaguchi Hiroshi- Chairman of Ichikawa Japanese Language Institute – Chiba, Japan visited the Institute. In the academic year 2009, Mr. Torikai, Consul from Consulate General of Japan, Mumbai visited the Institute. A bit later Mr. Shinichi Iida, the new Consul from Consulate General of Japan, Mumbai visited the Institute.

In our language Lab, with the help of lingua phone machines, audio CDs and textbooks students can practice accent, pronunciation and oral comprehension. In order to cultivate interest in foreign language learning, films from different foreign languages are also screened.

VPM's Department of Defense & Strategic Study:

VPM has started a Department of Defense & Strategic Study in 2008, headed by Shri. N. T. Ravindranath, a retired Intelligence Officer.

With the commitment to the nation & ceaseless efforts of Shri. Ravindranath, VPM published a research book viz. "**India under siege – A wake up call**" in 2009.

http://vpmthane.org/VPM/India_under_siege.pdf

VPM's London Academy of Education & Research:

Considering the opportunities of extending educational and allied activities overseas, we took over "**VPM's London Academy of Education and Research**", a private company registered in U.K. to introduce various Management courses in U.K. This academy was inaugurated on 26th May 2009 at Brunie Hall of School of Oriental and African Studies, University of London, London, which was followed by a Workshop on

- ❑ "**Global Meltdown – Lessons to be learnt**".

Overwhelming response for the said Seminar compelled us to conduct such Seminars in UK frequently. Considering a demand from experts in the London, we had organized three more such Seminars in London viz.

- ❑ "**Corporate Social Responsibility (CSR)**" & "**Finance Management for Managers**" in October 2009 and
- ❑ "**Why India?**" in October 2010

Better Infrastructure in the Campus:

All the libraries of various units in the college campus are well equipped with national – international journals and are inter-connected with the library softwares like Web OPEC. To promote and inculcate research activities in the students and staff, VPM has started its online Reference & Research Section in its Joshi – Bedekar College of Arts & Commerce, Thane.

Also a fully air-conditioned Conference Hall (auditorium) with all modern audio-video facilities is made available to all the units of VPM in the college campus to give full scope for the extra curricular and cultural activities like students' seminars, drama, elocution/singing competition, which definitely helps students for their personality development.

To cope up with the modern educational requirements, VPM has installed Video Conferencing system in our college campus. All the auditoriums in the campus are having this video conferencing facility, which facilitates conversation with persons within and outside the campus from their own place.

To keep abreast with modern development, VPM keenly incorporates all the necessary changes like computerization and quality awareness in its institutions along with emphasis on close interaction with industry. Our entire college campus is interconnected with Fibre Optic Network and having 24 hours access to Internet via Leased Line. Majority of our Seminar Halls are Wi-Fi enabled. We have also developed our own website www.vpmthane.org, which one can access anywhere in the world.

Interaction with Foreign Institutions:

To exchange the ideas, experiences and methods of teaching with the foreign countries and to incorporate the advanced methods of teaching within our units, VPM under the auspices of the "Institute for Oriental Study, Thane" arranges visit of our students and teachers to Oxford, London and Cambridge. Similarly, the teachers from UK and China visit our schools and colleges.

Disha Magazine & Disha Vyasapeetha:

Apart from running educational units, VPM also publishes its own monthly magazine namely "Disha" to share the views, ideas, and opinion with the society.

To provide a platform for students' talents various cultural programmes like students' singing etc. are arranged under the auspices of "Disha Vyasapeetha"

Online Admission System:

We are proud to say that VPM is the unique Institution in Maharashtra State to successfully start Online Admission system for our colleges. VPM has also started Online Transaction System by way of Credit / Debit card through our website www.vpmthane.org, i.e. acceptance of school / college fees, sale of seminar proceedings/publications etc.

Weather Station in the campus:

VPM has established an automated Weather Station in our college campus having access / connectivity with Pune Weather Station. Also it has been proposed to start a pilot project on Energy Generation for which UGC has sanctioned a grant of Rs.4,27,100/- and an equal amount of the grant is to be born by us to carry out that project.

Film Society:

To take the movement of Film Society to college youngsters who can shape the Cinema in future, VPM had decided to promote the activities of Film Society for the benefit of students and staff and started a "VPM's Joshi-Bedekar College Film Society" in the college campus. As a part of this activity we organize screenings of films with programme note, discussions on film screened and organize film appreciation lectures of eminent film directors and scholars in the field

Convocation:

VPM observe Convocation Ceremony on the occasions of Teachers Day i.e. 5th September. On this day the successful candidates of our autonomous programmes are awarded with their Degree Certificates at the hand of eminent persons.

Earlier Convocations graced by :

2004. Dr. Deepak Phatak :

 **Providing Safety & Security:**

About 12000 students and 700 staff members are moving in around the college campus for the cause of education. Considering the safety and security need of students, staff and society in general, VPM has installed an **Electronic Entry & Exit System** in the college campus, by way of issuing Smart (identity) Cards and using Boom Barrier System for the vehicles.

 **Foreign Education in the Campus:**

VPM is keen to identify and introduce new courses in the college campus in collaboration with various foreign institutions / universities.

It has entered into educational collaboration with -

- ❖ **California University of Technology, USA**, (CalUniversity) for conducting value added, professional courses namely, Master of Business Administration and Doctor of Business Administration.
- ❖ **Skovde University, Sweden** for M.Sc. in Molecular Biology/Biomedicine.
- ❖ **Northern College of Applied Arts & Technology, Canada**, for Electrical Engineering, Instrumentation & Computer Engineering diplomas.

 **Achievements:**

One of our units in the college campus i.e. Dr. V. N. Bedekar Institute of Management Studies has been certified with **ISO 9001 – 2000** by SGS, UK.

Another feather in our cap is that the project on "Hydroponics" presented by the students of our "Sau. A. K. Joshi English Medium School" in the 22nd **China Adolescent Science and Technology Innovation Contest** (CASTIC) held in July/August 2007 at China, has received **Special Achievement Award**.

Our Jt. Secretary, Shri. J. N. Kayal, had been felicitated by former President Dr. A. P. J. Abdul Kalam on occasion Technology Day i.e 11th May 2008 by awarding him **Special Contribution Award** under the "Science, Engineering & Technology Award Scheme" of Department of Atomic Energy.

This is yet another feather in the history of the Vidya Prasarak Mandal, Thane.

 **Interaction between Industry and Educational Institutions:**

In order to create interaction between industry and educational institutions and to gather and exchange the knowledge on latest technology, VPM has been conducting Workshops, Conferences and Seminars under the auspices of its educational units on various current socio-economic, educational, cultural, national issues for providing additional knowledge to the students and community at large as given below:

VPM's FUTURE PROJECT

NEW MEGA PROJECT OF ENGINEERING COLLEGE AT VILLAGE 'VELNESHWAR' IN KONKAN, MAHARASHTRA:

Village site

VPM has been doing the noble service of education to the Thane city population since 1935. Now it has diversified its focus to rural base. Accordingly, it has identified a rural location for new Educational Project at Velneshwar near Chiplun in the Konkan region. This happens to be the place to which our founder President Dr. V. N. Bedekar belonged. The project is dedicated to his Emotional attachment to the Konkan region. 60 Acres of land has been acquired in the village. We are also trying to acquire more land to construct a spacious 'Educational Township' as

per AICTE requirements. The village is located on the shores of Arabian Sea and is declared as tourist centre. Several activities of development in this area are taking place through Maharashtra Tourism Development Corporation. The Mandal has also taken moral responsibility to support the Government's plans.

The Master plan of the said project includes starting AICTE recognized Engineering, Horticulture and Ancillary Courses, Hotel Management & Catering Courses, Architecture Colleges in the campus. The Mandal has decided to impart the education in the name of Lord Parshurama i.e. "**VPM's Maharshi Parshuram College of Engineering**". Approximately 1,00,000 Sq. Mtr. built up area would be constructed. The educational complex will provide state of the art facilities containing 6 Educational Buildings, Canteens, 23 Hostel Buildings for Students, 5 Staff Quarter Buildings, for Principal's bungalow and an Amphitheatre. We expect that the actual commencement of Colleges will be from academic year 2012-13.

Site under construction

Vidya Prasarak Mandal, Thane, is proud to have taken the right step to fulfill our National Dream. The project will definitely help to eradicate poverty in the region due to 'Economic Flourishment'. It will also help to minimize the regional imbalance in professional education.
