GREEN POLICY DOCUMENT

### Green Policy

BNBCS is committed to ensure a sustainable workplace for all its stakeholders and work tirelessly towards minimization of potential impact on the environment.

Green policy for BNBCS therefore, is to:

- Integrate the consideration of environmental concerns and impacts into our decision making and planning of activities,
- Minimize, segregate, reuse or recycle waste as much as possible.
- Minimize wastage of natural resources within our buildings and processes in order to conserve supplies
- Train, educate and sensitize all students and staff members about current environmental issues.
- Promote environmental awareness among our students and employees and encourage them to work in an environmentally responsible manner.
- Encourage and practice activities that support environment sustainability such as green well maintained landscaping, less paper office, plastic free campus, use of public transport
