Our Annual Festival, 'Chrysalis' consisted of a session on "Dabbawallas as Management Gurus", Management games and cultural programmes. The events were organized successfully by the teaching staff and student volunteers with the Chairperson, Prof. Namrata Shrivastava.

A number of guest lectures were organized to stimulate the interest of the students in different subjects and to increase the depth of their knowledge:-

1. Shri S.P. Desai - Taxation

The parent-teacher Association conducted two meetings in the year. Issues related to academics, co-curricular activities and some problems faced by students were discussed in the meeting by the Principal, Vice-Principal (Jr. College) and Supervisors with the parents.

The meeting was well attended and the participation from the parents was encouraging.

The Association could conduct its activities because of active support from its teacher representatives, Mrs. Anjali N. Purandare and Ms. Bhavana Pawar.
