

About College:

VidyaPrasarak Mandal, a premier educational trust was established in August 1935 in Thane, Maharashtra, India. It was the dream of the founder member Late Dr. V. N. Bedekar to create an "Island of Knowledge" ('Jnanadweepa') in Thane for people in and around Thane. VPM's B. N. Bandodkar college of Science was established in 1969. It is one of the prime institutes offering science education from Junior College to Doctorate levels. Internal Quality Assurance Cell was established in the academic year 2003-2004. The IQAC was strengthened as post NAAC strategy to enhance the Teaching-Learning activities in the College and identify & internalize "Best practices" in education in the campus.

In the year, 2010, the College was reassessed by NAAC and got Re-Accrediated with "A" grade in cycle 2. In the year 2015, the college got Re-Accrediated with "A" grade in cycle 3. The college is recipients of FIST 'O' level grant from DST and (CPE) College with potential excellence 'O' from UGC. The college is also recipients of Indian Merchants Chamber's (IMC) Ramkrishna Bajaj National quality Award (RBNQA)-2014 Commendation Certificate and 'Star College Scheme' from DBT-2016.

Every year college conducts an international conference on different topics related to the supportive to curricula in which college get good number of students and faculty participation. Our institution emphasizes on an integrated development of Critical Ability and Work Ethics of stakeholders and makes them to adopt complex Socio-Economic and Cultural Environment to meet the future challenges. Hence, the symposium on 'Educational Ethics and Ethics in Research' is arranged.

About Symposium:

Education is an investment for the creation of social and cultural values among the society. Perceptible increase in investment in basic education system has paid attention to the issues of equity and quality of education. To reform the education system and develop the personality of the stakeholders, teachers play vital role by taking efforts towards ensuring equity, quality effectiveness, transparency, accountability and efficiency of educational outcome. Hence to promote desired ethical code of conduct among the teachers, learners, administrators and facilitators. IQAC is delightful to small efforts by arranging the National level two days Symposium on 'Educational Ethics and Ethics in Research'.
